ABOUT US

Established in 1994, Al Mostafa for Trading & Supplies began its operations in the food distribution sector, initially serving Egypt's tourism industry. Starting with a team of five employees and a single delivery vehicle, the company quickly gained a reputation for reliability and high-quality service.

Over the years, and thanks to the continued trust of our clients, Al Mostafa has experienced significant growth. Today, the company employs over 200 professionals and operates a fleet of more than 30 delivery vehicles, enabling us to deliver fast, efficient, and dependable service that meets the dynamic needs of our customers.

We are proud to serve as official agents for more than 40 leading local and international brands, offering a wide portfolio of trusted products across the market.

In addition to distribution, Al Mostafa has successfully ventured into manufacturing, establishing a portfolio of high-quality in-house brands, including Tostatura Caffè, Al Fayrouz, Land'ora, and O'lait each distinguished by its commitment to excellence within its category.

Today, Al Mostafa stands as a market leader in the industry, a name synonymous with quality, integrity, and forward-thinking innovation.

We proudly deliver across all of Egypt, ensuring nationwide access to our premium products and services.
